

Consulting Services for the Medical Practice.

MAG Mutual Healthcare Solutions, Inc., is a recognized leader in the medical community for practice management consulting services from tax and accounting work to medical practice publications. Our physician leaders and owners help give us a unique perspective on the business side of medicine.

Let us help you through every stage of your career. Whether you are just beginning in the medical profession or you are selling your practice and preparing for retirement, our accountants and consultants have always been trusted advisors and we can help you.

Our Practice Management Consulting Services include:

- Medicare/Medicaid Regulatory Issues
- Reimbursement/Coding Solutions
- Revenue Cycle Assessment
- Buying or Selling a Medical Practice
- Monthly Accounting Services
- Tax Planning and Preparation
- Payroll Administration
- Retirement Plan Administration
- Strategic Planning
- Human Resources Consulting

For a free needs assessment of your practice, please call 1-800-783-2080.
